## Frequently Asked Questions (FAQ)

### When is this rebate valid?

The rebate is valid on transactions purchased between 5/26/2022-6/25/2022. The rebate form must be completed and submitted on or before 7/31/2022.

### What do my customers have to do to receive this rebate?

Customers must visit [www.MyAutoValueStore.com/BrakeRebate](http://www.MyAutoValueStore.com/BrakeRebate) and complete the form to receive the rebate. The form must be completed by 7/31/2022.

### Who is eligible for the rebate?

All retail customers are eligible for this rebate. Commercial accounts and employees of Auto-Wares and their families, along with business partners and suppliers are NOT eligible.

### Can customers submit separate invoices to receive the rebate?

Yes, purchases can be made on multiple invoices in the promotional period. However, customers will only be eligible to receive the max payout of \$100 per household.

### What products will qualify for the rebate?

If the product is clearly meant for brake repairs, then it will qualify for the rebate. This includes anything with "Brake" in the part title, along with tools and chemicals that are brake job related.

### What products do not qualify for the rebate?

Drills, air tools, ratchet tools, or any other more generic use tools will not qualify for the rebate.

### What will happen if a customer returns products on their already submitted invoice?

Returned products will disqualify the rebate submission.

### How will the rebate be paid out?

Rebate funds will be issued by Auto-Wares in the form of electronic gift cards to the email address provided upon submission.

### How long will it take for my customer to get their rebate?

Please allot up to 4 weeks for processing after the rebate period has ended.
